

# MAIN STAY THERAPEUTIC RIDING PROGRAM IS OFFERING A NARHA MENTOR TRAINING WORKSHOP

This interactive workshop will provide NARHA certified instructors with an overview of the role of a mentor within the EAAT industry. The content will focus on the necessary skills and tools to apply this knowledge when mentoring other instructor candidates and/or help you create a mentoring program. This 1 ½ day workshop will enhance your personal observation, evaluation and feedback skills – important skills for all instructors.

After registering for the workshop, the NARHA CAT course and Registered Instructor Self Study must be completed prior to the workshop. Participation in these courses is included in your registration fee.

The workshop includes 12 hours of classroom educational content and 6 – 8 hours of on-line content. This one workshop may provide enough hours for a Registered Instructor to fulfill their continuing education requirements for the year. If you are a NARHA instructor, attending this workshop is the first step in being listed as a NARHA Mentor.

When: October 9<sup>th</sup> and 10<sup>th</sup>, 2010 (1 ½ day workshop)

Where: Main Stay Therapeutic Riding Program  
6919 Keystone Rd.  
Richmond, IL 60071  
815-653-9374  
[www.mstrp.org](http://www.mstrp.org)

Faculty: Marny Mansfield and Gail Pace

Cost: \$250 which includes a workshop manual and one meal

Complete the enclosed application form to reserve your spot. Registration forms are due September 3<sup>rd</sup>. The workshop is limited to 30 participants and may be cancelled due to low registrations.
